**SPRING WORK DAY**

May 1<sup>st</sup>, Sunday, at noon we're asking members to come out to the club to help with our spring clean up. Bring gloves, rakes and shovels to clean up our grounds after the snow has melted and before fishing season starts. We hope to see you there.

**APRIL MEETING**

Plan to attend our April club meeting. We have some projects we'd like to discuss. The Friends of NRA has money to distribute to clubs and organizations all over Wisconsin. Bill Wintlend of Dairyland is on the committee that awards grant money for worthwhile projects. He will be our guest speaker and will answer questions from members and tell us what we need to do to submit a grant request.

**.22 LEAGUE**

The .22 silhouette league will be starting on April 27<sup>th</sup> at 5:30 p.m. and will run ten weeks. This is a handicap league, open to anyone, .22 long rifle only, any sight, shot offhand at 100 yards. As there was last year, there will be a small fee of \$4 per night to cover expenses.

**TRAP SHOOTING**

As indicated above, trap shooting will begin on May 3, Tuesday, at 6 p.m. the charge to shoot will be the same as last year, \$3.50 per round for members and \$4 per round for nonmembers. Any member interested in learning to pull, score and learn to maintain the trap machine is welcome. We'd like to have several members with this knowledge to give Sheila and Gordy a break once in a while.

### **WINTER PELLET LEAGUE**

Winter pellet league wrapped up its last night of shooting on March 15<sup>th</sup>. The race for high scratch score was neck and neck throughout the entire 11 weeks. Final results showed Pete Heisler with high scratch score of 2696 out of a possible 3300 over Tom Jones, but Tom had the High Handicap score. Most improved shooter was Rick Reichert, who raised his average by 5.3 points despite the fact that his rear sight kept coming loose. Incidentally, both Pete and Rick are nonmembers, so if you know of anyone who would be interested in shooting with us, bring them along next winter, we'd love to have more participation.

### **PAST DUE MEMBERS**

The following names will be removed from our membership roles for nonpayment of dues: John Weber, Monte Morse, Ron Kubarek, Gary Hammond, Ron Desecki, Jeff Becklund, Terry Runge, David Frane and John Prickette. Those of you, who have gate keys, please return them and your deposit will be refunded immediately.

### **NEW MEMBERS**

We'd like to welcome Cal Wood and Grant Lamont, of Hayward and Johanna Johnson and Linda Free of Moline, IL and Hayward, new members since our January newsletter. Hope to see you on the range.
