2011 SIGHT IN

Despite the fact that we limited sight in days to just one week this year, we sighted in 298 guns this year, slightly down from last year when we did a little over 300. We want to thank helpers. Tim McGuire, Don Lessard, Tom Jones, Mike Hohm, John Greene, Ron Highsmith, Tom Braesch(who organized things), Jeff Lazar, Dan Cobb, Gordy Valentine and Sheila Shambaugh We apologize if we've left anyone out. In addition to coffee and doughnuts, there was usually a pot luck of some type on hand, once even some elk chili. Keep us in mind for next year, any help is greatly appreciated, even if it's only a few hours, half a day, etc.

TRAP RANGE

The trap range was shut down for the season on October 12th. We'll plan to reopen it and start shooting on April 3 at 6 p.m. assuming Mother Nature cooperates. Thank you to Mike Hohm who did a lot of maintenance on the trap machine despite having no previous experience. (Thank God for the Internet!) Thank you also to Jeff Lazar, who removed several trees which had been blown down around the trap range.
