RIFLE RANGE NEWS

Members are reminded that the range rules state that only APPROVED targets should be used on the range. Approved targets are not cans, bowling pins, water jugs, aerosol cans, posts, crossbars or signs. Approved targets are paper, metal swingers or anything designed specifically for target shooting. Remember to take your used targets off the backboards and pick up your brass and deposit it in the proper containers when you leave. We have had many good comments on the cleanliness of our range, so let's keep it that way.

SIGHT IN DAYS

Sight in days will be November 16 thru 22 this year from 9 a.m. to 4 p.m. We are again asking members to volunteer some time to help us out. Your dues alone do not cover all our club expenses, so fund raisers like sight in days help tremendously. Any time you can spare, whether it be a few hours to a few days would be greatly appreciated. If you want to sight in your rifle, remember, if you come during sight in time and are not helping on the line, you will be charged the same as the public, \$5 per rifle.

This year we will be raffling off a Mossberg rifle and a CVA 50 calibre muzzleloader. If enough tickets are not sold to cover the cost of the rifle, the cash will be split 50-50 with the winner. Drawing will be held on Friday, the 22nd at 4 p.m.

DUES NOTICES

Some members have complained that they've not received their dues notices. Please remember, if we have a valid e-mail address for you, we will send a dues reminder to you via e-mail to save postage. If you would prefer to receive a hard copy of your dues notice by mail, please contact Sheila at sshambaugh@charter.net or the club address, PO Box 912, Hayward, and we'll send a hard copy. Also, if you change your e-mail or home address, let Sheila know.
